XXXXXX-XX-XXXXX

Ref: FAR 26.1, FAR Clause 52.226-1, and DFARS 26.1

Encl: "PRIME FIRM NAME" letter dated May 10, 2003 Document Number XXXXXX-XXXXX-XXXX, w/attachments (summary of invoices, proof of 51% ownership, and certification as a Native/Hawaiian/Alaskan American).

1. In accordance with the above reference, it is requested that funding in the amount of \$162,089.39 be provided to this command for award of delivery orders against an indefinite-delivery, indefinite-quantity subcontract issued by "PRIME FIRM NAME" to an Indian firm, "INDIAN OWNED ECONOMIC ENTERPRISE/ INDIAN ORGANIZATION FIRM NAME", under U.S. Army Corps of Engineers contract XXXXXX-XX-X-XXXX.
2. As documented by the Enclosure, this request for funding is based on utilization of a 5% incentive applied against the applicable value of work performed by "INDIAN OWNED ECONOMIC ENTERPRISE/ INDIAN ORGANIZATION FIRM NAME," whose owner is a member of a federally recognized TRIBE, NATIVE ALASKAN ENTITY, or is NATIVE HAWAIIAN, and has been determined as eligible under the provisions of the Indian Incentive Program. "INDIAN OWNED ECONOMIC ENTERPRISE/ INDIAN ORGANIZATION FIRM NAME" has provided subcontract performance to: "PRIME FIRM NAME" under the subject contract after September 1996.
3. None of the incentives requested by the enclosed: "PRIME FIRM NAME" letter of 10 May 2003 are duplication of any previous incentives requested by: "PRIME FIRM NAME" for payment under this program. This request (for \$162,089.39) represents work performed and invoiced by "INDIAN OWNED ECONOMIC ENTERPRISE/ INDIAN ORGANIZATION FIRM NAME" from MONTH/YEAR to MONTH/YEAR.
4. I have reviewed the applicable subcontracts, invoices, and representations listed as attachments A, B, and C to the enclosed "PRIME FIRM NAME" letter. To reduce bulk

of paperwork, **I have enclosed the “PRIME FIRM NAME” letter, invoice summary, proof of 51% ownership and Tribal, Native Alaskan or Hawaiian certification.** The other attachments are on file and available for your review upon request. “PRIME FIRM NAME “ letter and attachments have been reviewed by the Contracting Officer; they were prepared in accordance with FAR 26.1, FAR 52.226-1, and DFARS 226.1. “PRIME FIRM NAME “package cited the use of FAR clause 52.266-1 in our DoD contract, XXXXXX-XX-X-XXXX. “PRIME FIRM NAME “ provided copies of pertinent pages of the subcontract, copies of the subcontractor’s invoices (in the form of proof of payment through “PRIME FIRM NAME “ accounting system), total payment of subcontract and calculation for 5% rebate, and subcontractor’s status as an Indian-Owned economic enterprise. I concur with “PRIME FIRM NAME” that the costs invoiced appear to be fair and reasonable.
